## SUNDAY NEWSLETTER

No letter this week. Just a short postcard. An unusually busy week left no time for several routine chores but I would like to say a word in response to the letter from "A Concerned Young Christian" that appeared in this paper last Sunday. He apparently wants private auricular confession dropped, and if this were to happen, I think it would be a tragedy. Regular private confession continues to be, in my opinion, a keystone of the Catholic's spiritual life. The words of Pope Pius XII, in his encyclical on the Mystical Body, remain as valid today as when they were written in 1947: "To hasten daily progress along the path of virtue, we wish the practice of frequent confession to be earnestly advocated. Not without the inspiration of the Holy Spirit was this practice introduced into the Church. By it genuine self-knowledge is increased, Christian humility grows, bad habits are corrected, spiritual neglect and tepidity are countered, the conscience is purified, the will strengthened, a salutary self-control is attained, and grace is increased in virtue of the sacrament itself."

In the above words, the Pope is speaking of private auricular confession. And it is the experience of every priest confessor that rarely does he have the same opportunity to encourage people to greater love of God and fellowman than he has in the personal, direct meeting in the confessional. I think it would be a great loss to the spiritual life of Catholics if the practice of regular private confession is de-emphasized or weakened. That goes for all Catholics, priests, religious, and laity.

Yours in Christ,  
Fr. Hayes

His majesty, Dick Roller, learns from his wife, Marion, that the man of the family will be treated royally at "King of the Castle" card party Tuesday, October 24 at 8 p.m. in Shrine High Gym.

## MEMOS FROM MOTHER'S CLUB

By Pat Iles

You will be relieved to learn that the many little whirl winds around the parish in the past few weeks is not a weather phenomena or any mysterious outer space invasion which should be reported to the United States Air Force. It's been Mother's Club members busy preparing a lovely evening for "King of the Castle" card party which will be held this coming Tuesday, October 24 at 8 p.m.

Marion Roller and Jean Marx have been diligent chairmen of this year's party and wish to tell all of you that you may choose any card game you enjoy playing whether it is rummy, euchre, pinochle, bridge or whatever.

Gerry Carps and Eve Gottschalk, the refreshment committee, will have apple jacks, cheese and coffee served at the tables. The king of your castle won't have to stand in line to be refreshed. A small army of ladies-in-waiting will be on hand to serve the tables. Soft drinks will also be available courtesy of some gracious high school girls.

You will be thrilled at the decorations provided by Carmella Getsoff.

Over forty door prizes have been gathered by Doris Gray and Grace Glaser. There will be table prizes as well and the raffle prize is a basket of assorted liquors, wine and champagne.

Marge Wenger's Girl Scout Troop No. 579 have been making name cards so no one will be a stranger.

The tickets are only \$1.25 for all these goodies and you must admit that is a bargain for a nice evening's entertainment. Gerry Shantz, the ticket chairman, is available for tickets if you will call her at 542-0644. Gerry says that tickets will also be available at the door on the night of the party.

We don't have much longer to wait for our "King of the Castle" event so call the friends you have been intending to call "sometime" and set up a table for a fun evening.

## DAD'S DEN

Every father enjoys and needs some form of recreation, sports, some type of athletic endeavor, being one of the most popular pastimes. And, truthfully, we do not always appreciate taking our sons. Once in a while we need our own contemporaries.

Guess what! Our children feel the same way. They would love to participate in the well organized and most efficiently supervised sports program we have at Shrine. But they cannot become active players, fans or cheer leaders, or participate in any manner without 'dear ole dad'.

We appeal to your paternal instincts to belong to our Dads

The Speak Up pamphlets are excellent. It is understandable why they were so long in the making. They are objective and imminently readable. They seem to be most realistic and void of platitudes which seem to be too freely invoked in most church sponsored material. Any attempt at "brainwashing" has been avoided and a very stimulating series of material has been compiled.

May we suggest to those who cancelled their first meeting that, due to the fact that we are spending the entire six week period on one topic, you might condense two meetings into one. Some people have complained that the last meeting will now be during the week of Thanksgiving. This was not our intent. Perhaps one evening could be extended to cover material in another pamphlet.

Please note that the series of pamphlets are numbered on the back of each one. There are six pamphlets for each participating member. If you have received inadequate material or there is any confusion regarding your supplies, please contact your district chairman.

A form of complaint has come to our attention from another parish. We are being criticized because we chose to assign our topics to the various districts, thus not giving our participating members a choice of topics. We hope that you are not as confused as they! You may attend any discussion group of your choice. We ask only that you call the Speak Up couple in advance to inform them that you are planning to attend. If their group is too large, they will suggest another where the same topic is being covered. This sounds like just a bit o' the green-eyed

**INSTRUCTION ON  
EUCARISTIC WORSHIP**

**(continued)**

SOME GENERAL PRINCIPLES OF PARTICULAR IMPORTANCE IN INSTRUCTING THE PEOPLE IN THE MYSTERY OF THE EUCHARIST.

24. THE IMPORTANCE OF THE ARRANGEMENT OF CHURCHES FOR WELL-ORDERED CELEBRATIONS

"The house of prayer where the most holy Eucharist is celebrated and preserved should be kept clean and in good order, suitable for prayer and sacred celebrations. It is there too that the faithful gather and find help and comfort in venerating the presence of the Son of God, our Savior, offered for us on the altar of sacrifice."

Pastors must realize then that the way the church is arranged greatly contributes to a worthy celebration and to the active participation of the people.

For this reason the directives and criteria given in the Instruction Inter Oecumenici should be followed regarding: the building of churches and adapting them to the renewed liturgy, the setting up and adorning of altars, the suitable arrangement of the seating for the celebrant and ministers, the correct place from which to give the readings, and the arrangement of the places for the faithful and the choir.

Above all, the main altar should be so placed and constructed that it is always seen to be the sign of Christ Himself, the place at which the saving mysteries are carried out and the center of the assembly, to which the greatest reverence is due.

In adapting churches care will be taken not to destroy treasures of sacred art. If in the interests of liturgical renewal a local Ordinary decides, having obtained the advice of experts and—if need be—the consent of those whom it concerns, to remove some of these works of art from their present position, it should be done with prudence, and in such a way that even in their new surroundings they are well placed.

Pastors will recall that the material and appearance of vestments greatly contributes to the dignity of liturgical celebrations. "They should strive after nobility rather than sumptuous display."

## REGISTRATION

ATTENTION ALL PARENTS OF "TINY TOTS" ONE YEAR UP TO FOUR YEARS OLD:

If you want plans for the nursery to continue we MUST hear from you this week. In order to adequately staff the nursery we need a general idea how many children will be attending at each mass. This does not mean you will have to attend the same mass all the time. Your child will always be welcome.

IF YOU WOULD USUALLY ATTEND THE 9:00 MASS CALL:

Jean Piche, 585-3856; or Jeannie Pallavo, 585-9558;

10:30 MASS CALL:

Sandy DeFranco, 585-3297; or Alice Purreault, 584-3434; or  
Donna Pinneo, 585-3659;

12:00 MASS CALL:

Jerre Schattmaier, 588-0494 or Mary Palto, 398-4782.

The outcome of this survey could mean life or death of the nursery. The above eight women cannot make the project a permanent part of the Shrine without cooperation from those parishioners planning to use the facility. We need HELP!!! If you can help us in any way, please call any of the names listed above or Judy Hettenbach, 588-5706.

## QUESTIONS AND ANSWERS

### WHAT IS THE "TINY TOTS" NURSERY?

Right now it is three large rooms in the church basement sparsely filled with toys and full of plans. The nursery will keep children from one up to four years old occupied productively during the 9:00, 10:00 and 12:00 masses. IT WILL BE FREE OF CHARGE.

### WHAT WILL BE IN THE NURSERY?

There will be play pens in which the younger children can rest and play, a clay kitchen for "like-mommy" cooking, a model bedroom with dolls, buggies and small furniture, and a "big boy" area with trucks, cars, building blocks, and hobby horses. There will also be books, crayons, puzzles, records, games and other small toys. Your child will be able to play alone or in an organized group.

### HOW WILL THE NURSERY OBTAIN SUPPLIES?

TODAY'S BAKE SALE and by donations. We need equipment (new or used) donated, especially dolls, doll buggies, child size furniture, hobby horses, small riding toys, trucks, books, records and area rugs for the cold tile floors. We also need lumber and paint donated or at a good discount price for the building projects.

### WHEN WILL THE NURSERY OPEN?

We will open in January after all the building, painting and repairing are completed. There will be an open house the week before.

### HOW WILL THE NURSERY BE STAFFED?

The staff will consist of volunteer adults and high school students who are willing to work four Sundays (one hour each) every six months of the year. There will be one nursery helper for each five or six children.

## SHRINE LADIES GUILD NEWS

By Dorothy Sheldon

Father Hayes was certainly appreciative of the support from the Guild in arranging a dinner and welcoming his guests at the closing of Forty Hours Devotion. The Fifty-Up Club Senior Citizens also took part along with the food experts from the Grade School, Mrs. Hammond and Maybelle Lloyd. Jackie DeFauw, Mary Frances Keifer, and Mary Loney planned the dinner menu and asked these Guild members to serve:

Delphine Flajole, Mickey Freeman, Martina Grates, Jean Kennedy, Laura Mastracci, Ginny Mazade, Alice Perreault, and Cecelia Rogers.

Dishes from appetizers to desserts were prepared by Judy Bach, Kay Bellish, Jerri Carps, Mary DeLoof, Peg Flaherty, Jeannine Gray, Rose Haupert, Jeannine Huber, Mary Lou Koenig, Jo Lazarus, Pat McCormick, Helen McGahey, Dolores McGinnity, Mary O'Connor, Rita O'Neill, Yvonne Petrosky, Cecilia Rehe, Marian Roller, Pat Simpson, Ann Thompson, Carol Ward, and Mary Ann Waters.

Special attention was given to the floral centerpiece by Norine Meyers. She combined silver and candles with her floral arrangement to make it a truly beautiful table setting.

• This week the Ladies Guild would like to extend our best wishes for a happy birthday to Father Coughlin.

Remember his many Mothers' Day tributes? They were sure to bring tears to your eyes when he delivered his sermon honoring motherhood. Mothers need praise and encouragement. We knew we didn't deserve all that credit, but it was good to know someone felt we were trying. On Fathers' Day his message to us included showing much love, respect, and appreciation for the head of the family. As for the children . . . every day was Children's Day for Father Coughlin because he loved them all.

On your day, Father Coughlin, we wish you good health, good friends, and happiness for the coming year.

### SYNOD

Continued From Page One  
monster rearing its ugly head. It seems that our enthusiastic parishioners have done it again. We are one of the best represented parishes in our area. Congratulations to all of you on your interest in making a more meaningful tomorrow for our community, our church and our world.

Our local newspaper carried an article last Saturday concerning a rather bitter dispute on the birth law at a Vatican-sponsored World Congress of Catholic laymen meeting in Rome. We thought it interesting that the "restive laymen stole the lime-light from the 15-day-old Synod of Bishops . . . it turned into a forum for the most outspoken public debate by a Catholic group meeting in Rome under Vatican sponsorship." The Pandora's box is open and the Lay Apostolate is being heard from. We are certain that the "shout" heard round the world will be weighed with the utmost of care by our Holy Father and only those suggestions which are for the betterment of mankind in a Christian world will be acted upon, but, still — how exciting to be living during this period of open communication!

**SISTER "SEZ"**

By Sister Patricia Marie, S.C.

We are a little late with this "thank you". The School Board has asked me to extend their appreciation to you for the fine group of people who came to the first open School Board Meeting. This was very encouraging to them.

This is another S.O.S. for the parents of C.C.D. students. Please be careful when you drive into the school yard at 4:00 o'clock on Monday. Children are dashing here and there and we are afraid someone is going to get hit.

We would like to publicly congratulate the eighth grade on their cooperation and school spirit this year. They have been a tremendous help. Keep up the good work!

In our Archdiocesan School Handbook there are a list of nine regulations regarding absences. We thought they would be a help to you, if we printed them. There are nine, so we will print five this week and four next.

**Regulations Regarding Absences:**

1. The classroom teacher has the primary responsibility for developing and maintaining a strong motivation for regular attendance on the part of each pupil and for recording and checking accurately pupil attendance.
2. Parents should be instructed to notify the school in advance of a pupil's absence whenever possible and to follow up with a verification of a written excuse when the pupil returns to school. This written explanation should be demanded and kept on file by the teacher for the current year.
3. It is important that all unexplained absences be checked early with the parent. This can be done by means of a telephone call from the school.
4. The parent has the right to keep the child from school for a sufficient reason. The school has the right to judge this reason and to determine whether the absence was necessary or unnecessary.
5. In general, the following reasons are sufficient to classify an absence as necessary and the pupil should be permitted to make up the work missed, including tests:
  - a. sickness
  - b. sickness in the home which makes it necessary for the pupil to remain at home to care for others
  - c. attending the funeral of a member of the immediate family or of a

More than likely he had a heart attack and can no longer navigate the steps—he doesn't complain—there's too much pride in our ranks. That's alright young fellow—you just sit there—let John do it. **MARRIAGE**

Marriage should be a joyous experience. It can be a challenge and its success is an outstanding achievement. It is something greater than a contract, for it also involves a sacrifice. "The family is a cell of love, created by the life-long friendship between a man and a woman, with complete sharing of body and mind, and with, normally, the pro-creation of children".

**To Enjoy Marriage**

Bauer, W.W. and  
Bauer, Florence M. 301.42 B344t

True enjoyment and happiness in "married bliss" starts with the choice of the right partners and only success can come if both enter into this quest for achievement by knowing the qualities essential to succeed, by taking practical and inspirational advice on what to look for in each other, and by being knowledgeable in being able to nurture and protect a good marriage.

**GIRL SCOUT INSTITUTE**

All Catholic women who are active in the Girl Scout movement are urged to attend the Leaders Institute which the Archdiocesan Committee for Girl Scouts will hold on Friday, October 27, at Our Lady Gate of Heaven Parish.

The assembly will mark the formal beginning of the twenty fifth year of service for the Archdiocesan Committee, which was the first group of its kind in the

country when founded in 1943. Thanks to the enthusiasm of its adult leaders, the program of Girl Scouts under Catholic auspices has grown to almost 15,000 members in more than 700 parish units with more than 2,000 adult leaders.

Sponsors of the meeting say that this assembly is unusually important since it will give adult leaders a chance to learn the new requirements for the Marian Medal, the most cherished award a Girl Scout can earn for progress in Scouting and in the knowledge and practice of her religion. The Marian Medal program emphasizes the spiritual aspect of Girl Scouting.

Registration for the Institute will begin at 9:00 A.M. The first session will be held at 9:30 A.M., and the Institute will end at 2:30 P.M. Workshops will cover such subjects as the Marian Medal Program, Church Investiture, Rededication Ceremonies, the St. Anne Award for Leaders, the Annual Holy Hour, the Senior Spiritual Renewal Program and spiritually oriented program suggestions for the Brownie, Junior, Cadette and Senior levels.

The Registration fee, which includes the cost of luncheon and program materials, is \$2.00 per person. Registration forms and complete information on the Institute may be obtained now from the CYO Office, 305 Michigan Ave., Telephone 963-7172.

## SURVEY ON SERMONS IS OVER

Thanks a million to all of you, cooperative Parishioners. Thanks especially to Paul Mazade, Jim Opferman, Jim Dei, Bill Egan, Cliff D'Aoust, Harry Tillotson, Ed Dunn, Robert Heintz and Nick Pinto who helped distribute the letters in church. During five consecutive Sundays we polled your opinions and suggestions. It has proved a valuable experience. Reactions from all of you were honest, even though at times we feel you were trying to flatter us a little too much. The survey was conducted on a random sample basis.

Typically a priest received fourteen of the twenty-eight letters distributed, which is 50% sharp: a magnificent response, according to all polling standards.

One out of every three letters were signed. Four out of nine were filled out by men, the rest by women. Three out of four were married, a little less than half were College graduates. The average age of respondents was 41 years. The opinions turned out to be quite independent of age, sex, marital status, education and even of the fact that some letters were signed and some weren't.

As you remember, the envelopes were addressed directly to the priest delivering the sermon. This was done to foster a more sincere response on the part of the parishioners, and to preserve the privacy of the individual priest. No attempt was made to get the average response to all the priests.

From the answers to one priest who volunteered his information, we give the following information:

1. Out of six respondents, four thought the sermons were good, one very good and one mediocre.
2. Four out of five considered the sermons inspiring.
3. Three out of four thought the sermons were just about right in length, and the other thought it was a little bit long; one person thought the sermon was too short.
4. One out of four could not hear very well.

But statistics are not the best fruit of the survey. It is the inspiration received by the individual priest and the desire to do a better job, to improve his enunciation, effectiveness, inspirationality, it is the drive to keep us going and procuring a better spiritual service to the Mystical Body of Christ which is all of you. It is the consciousness

## USHERS NEWS

Should you receive a reimbursement from the state to offset the cost of your child's parochial education? Are parents and students of private schools being short changed in the public educational system? Should we close our private school systems and place our student body in the public educational system. To obtain some facts on this subject we invite all men of the parish to attend the next ushers meeting, Nov. 6 at 8 P.M. in the Grade School cafeteria. A representative of Citizens for Educational Freedom will discuss many of the above questions and how they effect you.

Come on Dad's—with todays spiraling costs surely its about time you got off your apathy and take some interest in your church and your school. Bring a friend.

## 50 UP CLUB

By Grace Doran

At our October 24th meeting, we shall have a short business meeting at 7:30 in the Grade School Cafeteria, and then join the King of the Castle card party, sponsored by the Mothers Club at the High School at 8:00 o'clock. The cost per person is \$1.25 and there will be scads of door prizes and attractive table prizes. The Mothers Club invited us to join them, and it should prove to be a most pleasant evening.

It is hoped that everyone will make an effort to visit the Senior Citizens' arts and crafts display at the Detroit Historical Museum. It is very well worthwhile and should be an inspiration to all of us.

Our November meetings are scheduled for the 7th and the 21st.

See you on the 24th — make up a foursome — or come along anyway — there will be plenty of "vacancies" at the card tables, — and delicious refreshments, too.

that all of you are alert and listening and giving us some feedback. It is also the awakening to the fact that you speak freely and give encouragement, and frank but constructive criticism. At times the experience was disappointing and a little bloody, but thank God we are getting used to criticism (even non-constructive) and are able to draw good lessons out of deep but temporary discouragement.

God bless you all. We'll keep trying.

**ALEXANDRINE HOUSE**

Alexandrine House—Detroit's stop-over place for some parolees on the way back to our society—is based on the proven principle of self-help with assistance from others. Our motto "A hand-up, not a hand-out" probably expresses it best.

AH is the address that serves as a temporary home for men who are seeking to regain their foothold in normal community life. It was established primarily to help those men who would not be paroled because they had no suitable environment to which they could go.

The AH Board of Director's includes Msgr. Clement Kern of Most Holy Trinity Parish, who is also the spiritual director for this non-denominational undertaking.

The realism of the board is coupled with their idealism in hoping that their efforts may help these men to reconstruct their lives.

As you and I stumble through life, picking ourselves up (which very often necessitates help from others), these men also, having paid their debt, are looking forward to their personal re-establishment.

Paying a nominal per diem rate to AH, these men on their initiative and with help seek out jobs and visit with their families in a relaxed state of mind. As you realize, this accomplished self-sufficiency is a most necessary and satisfying need for personal dignity.

Incorporated in the function of AH is Christ's message for personal involvement. This primarily consists of the Sunday dinner being brought in and shared by families like yours and ours. Screaming, laughing, crying, fighting children of all ages and bottle-fed babies included.

In addition to a home-cooked meal, the family or families present showing love and friendship in a relaxed atmosphere give the men some ray of hope that they are wanted, needed, accepted, and loved. This setting is many times brightened by clergy and religious.

In His life, Jesus Christ never hesitated to show love and understanding to the souls rejected by others and those who gave up hope.

In correlating His life of love with the message that what we do to the least of men we do to Him, the personal involvement function of the AH operation is a welcoming way to provide families an opportunity to encounter Christ.

A fine way to aid the poor or depressed is to pray and give our money; however, we can be more complete in our ways by

**Letters To The Editor**

To The Editor:

Our violin is well over a hundred years old and has been used by the family for four generations. Our seventh grader has played it for two years in the Shrine Grade School Orchestra. Foolishly perhaps it was left hidden backstage at the Grade School over a weekend and someone took it. If anyone can help in its return he will be rewarded. We feel sure those responsible had no idea of its sentimental value.

Dear Editor,

Is the person who wrote that ill advised letter an advocate of "Hippie Flower Power"?

Is it's author unaware of St. Theresa's "Little Flower Power" of drawing souls to God thru Love and Beauty?

Margaret Johnson

Dear Editor:

There is so little reverence shown to God today. The teenagers seldom genuflect when they come in church anymore.

As for the Young Christian whose letter was in the Shrine Herald about folk Masses, etc. God let me die while I'm still a Catholic, is all I can say.
