

RefWorks - an online citation management tool accessible on and off campus.

- ★ • **USE MOZILLA FIREFOX ONLY.**
- ★ • Download citations directly from various databases such as **Education Research Complete**
 - Create **Folders** to store the citations for your various projects
 - Create **bibliographies** in various styles including **APA**, MLA, or NLM
 - Will automatically format your footnotes and bibliography in seconds

First time users must set up a personal account.

- Go to the Library's research portal: research.udmercy.edu
- Click **Articles, Journals, + Databases**
- Click **"R"**
- Click **RefWorks**
- Click **Sign Up for a New Account**

Off campus: Enter the university's **Group Code**.

Note: code is case sensitive and only for the use of UDM students, faculty, staff, and alumni.

Follow instructions to set up account.

For subsequent access:

- For remote access always use group code, then individual login name and password or
- For on-campus access, use individual login

The RefWorks website provides: Online Help, Tutorial, FAQ, Quick Guide

Select **Help**, **Tutorials** for “how to” videos.

Use **Write-N-Cite** for ease of adding footnotes into papers. However, you must first download Write-N-Cite on your personal computer. All the computers in the McNichols Campus Library Reference Room have Write-N-Cite downloaded onto them.
